

ABOUT THE DIFFERENT CAMPERVAN COMPANIES

Discovery Campervans Compare represents five different companies, and yes we have inspected their vehicles personally. To help you decide which would suit your individual requirements and taste we have put together some helpful details.

KEA Campervans

Vehicle Age: 0 - 2.5 years

KEA

Locations

KEA has 11 depots located in, Sydney, Adelaide, Alice Springs, Brisbane, Broome, Cairns, Darwin, Melbourne and Perth. And in New Zealand they have Auckland and Christchurch.

About KEA

KEA Campers prides itself on a reputation for quality, innovative vehicle design and fit-out, youngest fleet age and outstanding customer service.

The fleet size is not huge so we highly recommend booking at least 6 months in advance to avoid disappointment.

Stand Out Features

Among the many innovative features introduced by KEA are: largest beds in the industry, modern European kitchen design and high quality appliances, flat screen TV and DVD players, spacious toilet / shower cubicle, high-grade macro suede fabric seat covers, central locking systems covering entire vehicle, safety deposit boxes, security screens and solar panels.

Apollo Campervans

Vehicle Age: 0 - 2 years

apollo

Stand Out Features

Unique 3 Berth Euro Cruiser with toilet and shower, TV/Video and DVD players, No one way fees for rentals over 21 days, Large Beds, Maps and camping guides supplied free of charge. The 4WD Adventure Camper has a huge double bed, Outdoor cooking facility, A/C in rear cabin, extra fuel capacity, large side awning.

About Apollo

(except Cheapa Campa 2-3 years)

Apollo Motorhome Holidays is an Australian family-owned business. It is recognised as one of the premier recreational vehicle operators in Australasia, specialising in the rental of quality leisure vehicles throughout Australia and New Zealand.

They build their own vehicles, hence operating a very modern and unique fleet, we recommend you book as early as possible to take full advantage of their flex rates and highly recommend their Inclusive or VIP package as it represents excellent value for money.

Locations

Apollo has 11 depots located in: Adelaide, Alice Springs, Brisbane, Broome, Cairns, Darwin, Melbourne, Perth and Sydney. And in New Zealand they have Auckland and Christchurch.

Maui Campervans

Vehicle Age: 0 - 2 years

Locations

Maui has 14 depots located in: Adelaide, Alice Springs, Brisbane, Broome, Cairns, Darwin, Hobart, Melbourne, Perth and Sydney. And in New Zealand they have Auckland, Wellington, Christchurch and Queenstown.

About Maui

Maui's reputation as the premium motorhome brand in Australia is built on many years of offering superior products and services.

Maui have a good size fleet and we find availability is generally good if you book at least 3 months ahead.

Stand Out Features

Maui builds more new motorhomes in Australia than any other company, complete with the most comfortable beds and superior quality fittings. Maui is the only company to guarantee an automatic transmission with their 6 berth.

All Maui Motorhomes with toilet and shower feature a safe for personal belonging and the 6 berth features a flat screen TV, DVD Player, GPS satellite navigation and PlayStation2.

Maui reimburses taxi fares for customers travelling to the branch from the airport and has a network of Customer Care partners around Australia to assist customers whilst on the road.

Britz Campervans

Vehicle Age: 2-4 years

(Average 2.5 years)

Locations

Britz has 14 depots located in: Adelaide, Alice Springs, Brisbane, Broome, Cairns, Darwin, Hobart, Melbourne, Perth and Sydney. And in New Zealand they have Auckland, Wellington, Christchurch and Queenstown.

About Britz

Britz is the most recognized campervan rental brand in Australia and has both the largest campervan fleet and range of campervans to choose from. Britz provides outstanding value for customers, as they only pay for what they want!

Stand Out Features

In Australia, the Britz brand is a Mercedes dominated fleet, supported by Volkswagen and Toyota vehicles.

Britz is the only company to guarantee automatics for the Voyager 4 Berth and Frontier 6 Berth vehicles. Equally, Britz is Australia's 4WD rental specialist, providing 4WD training courses from mainland branches, along with Britz Xtreme 4WD professionally guided tours into real Outback Australia.

Britz offers exclusive discounts on Holiday Parks, attractions, tours and activities and also offers the industry's first and only in-vehicle magazine. Make tracks.
